

SC-120H

Qualified factory number:10610013600676

Key Features

8-inch touch screen

Automatic temperature measurement with abnormal temperature warning

Suitable for medium traffic area (more than 20 people/minute)

Max.30000 faces

Protective Level IP65

Model	SC-120H
Optical Visible Image	1080P CMOS Sensor
Monitor	8-inch , Touch
Monitor resolution	800 x 1280
Sensing module	MLX90640 / MLX90641
Temperature accuracy	±0.3°C (±0.54°F)
Temperature measurement distance	0.5~1m (1.64~3.28ft)
Voice alert	Yes (abnormal temp)
Face Recognition Database Capacity	30000
Face Recognition Accuracy	99.70%
Recognition speed	<500ms
CPU	Cortex-A53 -8 core 1.4GHz
RAM	2GB DDR3 800MHZ
ROM	8GB
Certification	CE 、FCC 、RoHS compliant
External IO	DI 、DO 、Wiegand 、Ethernet
Management Platform	yes
Appearance	CNC metal(aluminum alloys)
Water Proof	IP65(Protected from light rain)
Power input	DC12V,3A
Power Consumption	15W
Working Temp.	0~60°C (32~140°F) <95%RH
Dimension	138×250×20mm (5.43x9.84x0.79inch)
weight	1150g
